# ZONE WIRED HEADSETS

Designed for busy open workspaces, Logitech® Zone Wired is a USB headset that delivers premium audio and reliable call clarity with advanced noise-canceling mic technology. Additionally it is lightweight, stylish, and super comfortable for all-day use.

Zone Wired works with common calling applications across almost all platforms and operating systems. Noise-canceling dual mic technology accurately suppresses distracting sounds like keyboard clicks and nearby voices as close as 60 cm away.

Durable, reliable and simple to use with intuitive in-line controls always at your fingertips on the tangle-free cable to mute, adjust volume, answer/end/reject calls, and play/pause music. USB-C and included USB-A adapter ensure plug-and-play compatibility.
